## WORK EXPERIENCE

---

### Software Engineer Team Lead, ClassLink

*Oct. 2017 - Present*

*Clifton, New Jersey*

- ❖ Full Stack Team Lead for ClassLink's user provisioning tool OneSync
- ❖ Developed and structured front end of OneSync in Angular 7+
- ❖ Assisted with development of OneSync Microsoft ASP.NET back end that interfaced with a MySQL database and used MVC paradigm
- ❖ Collaborated with team members to organize sprint goals and deploy code to OneSync clients
- ❖ Interacted with OneSync clients through emails and video calls in order to gather feedback and resolve issues

### Intern, Welltex Apparel LLC

*Summer 2012 - Summer 2017*

*New York, New York*

- ❖ Participated in buyer meetings by presenting manufacturing materials and taking notes on buyer specifications and requests to better fulfill their needs
- ❖ Assisted in the creation and maintenance of company website by facilitating the coding and design process
- ❖ Improved office efficiency by maintaining the organization of manufacturing material libraries

### Teacher's Assistant, Computer Science, Union College

*Jan. 2015 – Mar. 2015, Sept. 2015 – Nov. 2015*

*Schenectady, New York*

- ❖ Supervised students learning the programming language Python by providing feedback and suggestions on how to improve their code
- ❖ Guided students in bettering their understanding of important coding ideas by explaining the basics of these concepts and answering their further inquiries
- ❖ Provided students aid with finding solutions to coding problems by invoking their prior knowledge of similar problems and solutions learned in their previous classes

### Teacher's Assistant, SEED LLC

*Summer 2014*

*Cresskill, New Jersey*

- ❖ Maintained clean conditions of classrooms and office space by cleaning and organizing teaching materials
- ❖ Cataloged teaching materials and files for increased ease in finding required documents
- ❖ Assisted SAT tutors by distributing and collecting paperwork and monitoring class progress
- ❖ Tutored high school Earth Science and Algebra in preparation for New York standardized testing
- ❖ Recorded student practice SAT scores and organized them for easier handling and analysis
